

Science a la Carte!

What: Fun, hands-on activities for DSP visitors housed on mobile carts

Who: Adult (age 18+) volunteers willing to give 1-2 hours of their time to interact with kids and families- teaching some basic science and igniting curiosity! Previous science/teaching experience not required.

When: All year long (Saturdays and Spring Break week only until summer; then any day we are open.)

Where: The Discovery Science Place, 308 N. Broadway Ave. Tyler, TX 75702

Why: To further our mission: igniting curiosity in young minds through fun, hands-on exploration!

How: do you become a volunteer??? Contact Executive Director Chris Rasure at mnorthup@discoveryscienceplace.org today!
